

# Broomhill Infant School - Nature, Nurture, Knowledge - SEEDLINGS CLASS - Term 4

## Truly Scrumptious and The Smartest Giant in Town

### Nature

Begin to grow simple foods  
Explore the way our world is changing in Spring time

### Experience

visiting the shop and people coming in to share their favourite recipes

**Tinkering:** Making food for the giant's picnic

**ELLI** – A cat learner (being curious and asking questions to find out more)

**WOW Day** – Find giant sized clothing and footprints in the classroom—who does it belong too?

**State of Being** – A scientist

### Skills and Knowledge

- Using senses to explore the world around them
- Persisting with an activity when challenges occur
- Making links and noticing patterns in their experiences
- Shows interest in different occupations and ways of life.
- Talk about why things happen and how they work.
- Begin to be interested in the texture of things.
- Begin to accept the needs of others and share resources.
- Use prepositions (under, over, up, down etc).

### Book Hook – The Smartest Giant in Town

### Community Links

Tinkering Tuesday with parents  
Family Thursday sessions to start

### Ten Questions

- Who do these clothes belong to?
- How can we help the giant to get new clothes?
- Can we design a picnic for the Giant to say thank you?
- What does our food look like, taste like, smell like?
- How do we make different foods and how do they change?
- What food is our favourite?
- Who helps us to get our food?
- Where does our food come from?
- Why did the Giant give all his clothes away?
- Why did he give each animal that piece of clothing?
