Tinkering Tuesday with parents

Ten Questions

- How can I cross the road safely?
- Which foods are produced in the UK?
- What does it mean to be locally sourced ?
- Can I follow a simple recipe?
- How can I carry out a simple experiment?
- How can I record changes that I have noticed?
- How can I use the equipment in P.E to develop my balance and coordination?
- Why do people celebrate Easter?
- Can I create a piece of art work inspired by the artist Wayne Thiebaud?

Skills and Knowledge

To work scientifically asking simple questions , observing closely and performing simple tests.

To understand which foods can be produced locally in the UK

To understand how I can keep myself healthy and safe.
