

Broomhill Infant School - Nature, Nurture, Knowledge - Reception Class - Term 6

Nature

Learning about and observing the different animals of Africa and the climate

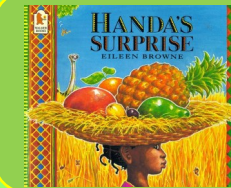

Experience

Making fruit salads and/or smoothies using exotic fruit

Tinkering: Create a piece of art from recycling materials from around the home.

ELLI – A cat learner (being curious and asking questions to find out more)

State of Being – Explorer

Book Hook – Handa's Surprise

Community Links

Share experiences of different cultures and possibility to link with a community in Africa

Ten Questions

The fruits in the book Handa's Surprise don't grow in our country where we live, why do you think that is?

Does everybody like eating the fruits featured in the story? How could we find out and record our findings?

Who knows the animals are stealing fruit? Why doesn't Handa know?

Is it easy to carry a basket on your head? Why do you think the basket doesn't fall off?

Who was more surprised Handa or Akeyeo?

Do you think the story was set in our country? Why do you think that?

Why does a giraffe have a long neck?

Why does an elephant have a trunk?

Why does a zebra have stripes?

How do you think we could find out more about Africa?

Skills and Knowledge

- To explore the similarities and differences with how we live and how someone in Kenya lives.
- To eat a healthy range of foodstuffs and understand the need for variety in food.
- To safely use and explore a variety of materials, tools and techniques, experimenting with colour, design and texture
- To experiment with different ways of moving and to move confidently in a range of ways, safely negotiating space.
