Easter egg hunt and Easter activity day

**Tinkering:** Perfect puddings

**ELLI: Spider** - Making links

**WOW Day:** Food Glorious Food

**State of Being:** Artist

**Book Hook:** The papaya that spoke

**Community Links:**

Class zooms every week

## Skills and Knowledge:

To name and locate the 7 continents and 5 oceans. To identify the location of hot and cold areas of the world in relation to the equator and North and South poles.

To understand the difference between the past and present and order events.

To identify the structure of plants and trees and observe how they grow.

To know and describe the importance of being healthy and exercise.

To draw lines of different thickness and use pattern and texture.

## Ten Questions:

1. Name the 7 continents
2. Why is it harder to grow food in the South pole?
3. Can you tell me about where food comes from?
4. What are food miles?
5. What is pointillism?
6. What is an Artist?
7. Why is hygiene important?
8. How would you describe rhythm?
9. Can you name and explain the parts of a plant?
10. What is the Passover and who celebrates?

## Vocabulary:

continents, countries, equator, food miles, pointillism, exercise, hygiene, rhythm, Judaism, Passover
