Singing with the Junior School

Skills and Knowledge:

Sensory Experiences

Sensory play supports language development, cognitive growth, fine and gross motor skills, problem solving skills, and social interaction.

- Write dance - I can explore how to make different shapes using a variety of media
- Music - I can explore how to make different sounds
- Dance massage - I can move in different ways and at different speeds
- Sensory stories - I can retell stories and rhymes using props

Five Questions:

What do you eat in summer?

What animals can you find at the beach?

What animals live on land or in the water?

How does a snake move?

What is a sand sculpture?

Vocabulary:

Small, big, sculpture, mermaid, frozen
