

Broomhill Infant School - Nature, Nurture, Knowledge - KS1 Blossoms, Term 6

Experiences:

I can visit Noah's Ark Zoo Farm

I can perform music with the rest of the school and the Junior School children

I make a map of Noah's Ark Zoo Farm

I can observe how liquid changes to a solid

Nature:

I can find different habitats for different wildlife

I can explore different environments where animals live

ELLI: Cat

A Cat Learner

WOW Day:

What the Ladybird Heard at the Seaside

State of Being:

Explorer

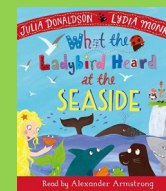

Tinkering:

I can make an environment for an animal

Book Hook:

What the Ladybird Heard at the Seaside

The Star of the Zoo

Community Links:

Singing with the Junior School

Skills and Knowledge:

Sensory Experiences

Sensory play supports language development, cognitive growth, fine and gross motor skills, problem solving skills, and social interaction.

- Write dance - I can explore how to make different shapes using a variety of media
- Music - I can explore how to make different sounds
- Dance massage - I can move in different ways and at different speeds
- Sensory stories - I can retell stories and rhymes using props

Five Questions:

What animals can you find at the beach?

Which animals live on land or in the water?

What do you need on a map?

How do you make a sand sculpture?

What did the Ladybird hear at the seaside?

Vocabulary:

Sculpture, mermaid, liquid, solid, wild, tame
