Bristol Bears Foundation delivering our PE lessons

Skills and Knowledge:

Sensory Experiences

Sensory play supports language development, cognitive growth, fine and gross motor skills, problem solving skills, and social interaction.

- Write dance - I can explore how to make different shapes using a variety of media
- Music - I can explore how to make different sounds
- Dance massage and Tacpac - I can explore different ways to feel calm
- Sensory stories - I can retell stories and rhymes using props

Three Questions:

Where did you find the bear?

What did you see on your journey to find the bear?

How did you make your bird house?

Vocabulary:

Scared, frozen, squelch, under, over
