Community Links: Fire Brigade visit

Ten Questions:

1. Who were Queen Elizabeth I and Queen Victoria I and what was life like in these eras?
2. How can we help ice melt?
3. What is the difference between something that is dead, alive or has never been alive?
4. Does praying at regular intervals everyday help a Muslim in his/her everyday life?
5. How can we stay safe online?
6. What is a goal you would like to achieve this year and how can you achieve it?
7. What are some different ways we can move on different levels?
8. Which instruments might you play in a rock band?
9. How do people celebrate Chinese New Year?
10. Which materials can be used when making a collage?

Skills and Knowledge:

- To identify and name a variety of plants and animals in their habitats, including microhabitats.
- To explore and compare the differences between things that are living, dead, and things that have never been alive.
- To learn about the lives of significant individuals in the past who have contributed to national achievements and use them to compare aspects of life in different periods.
- To use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about material on the internet or other online technologies.
- To develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.

Vocabulary:

habitat, monarchy, Elizabethan, Victorian, experiment, Muslim, prayer, achieve, goal, collage, privacy
