

Broomhill Infant School - Nature, Nurture, Knowledge - SEEDLINGS CLASS - Term 4

Jasper's beanstalk and growing

Nature

Growing plants and learning about the life cycle of the plant. Spring changes.

Experience

Visit the junior poly tunnels to grow some of our plants. Cook with food we have grown.

Tinkering: Water collectors

ELLI – Tortoise—don't give up when things go wrong.

WOW Day – Leave wheel barrow, pots and seeds and gloves etc as a provocation. What is it for?

State of Being – geologist

Skills and Knowledge

CL—Use four to six words in a sentence.. Begin to extend vocabulary.

Phys— Making healthy food choices about food, drink and tooth brushing

PSED— Begin to understand the need to respect and care for the natural environment and all living things

LIT—Make collections of objections that start with the same sounds. Join in with extended conversations about the stories that we hear.

MATHS— . Linking numerals up to 5. Begin to represent numbers with lines and marks.

UTW— Plant seeds and care for growing plants. Understand the key features of plants and an animal.

EX ART— create our own songs and match melody to familiar tunes.
