

Broomhill Infant School - Nature, Nurture, Knowledge - SEEDLINGS CLASS - Term 5

Who Lives in Our Garden? - The Very Hungry Caterpillar

Nature

What animals live in your garden, parks or outside areas? How is our garden continuing to change and grow? Does the affect who is living in our garden?

Concept: Animal Wellbeing and Important People

ELLI – A tortoise—persevering even when something is difficult.

Tinkering: Fit for a Queen!

WOW Day – Introducing growing caterpillars and watching what happens as they grow.

State of Being – A geologist

Skills and Knowledge

Capture experiences with a range of materials. Begin to represent sequences of music.

Talk about similarities and differences between people in different countries (EID) explore and talk about different forces that they feel.

Children begin to understand why questions. Clap the syllables in a word and explore blending

Begin to use sequencing words such as first, then next after and compare quantities such as more and fewer.

Skip, hop and jump as well as holding poses—beginning to take part in group games.

Experience

Minibeast hunting—Forest Schools. We the Curious Trip

Book Hook – The Very Hungry Caterpillar

Community Links

Visiting local woodlands/ponds etc. Exploring our own gardens/parks or outside area.
