Skills, Knowledge & Sensory Experiences

Sensory play supports language development, cognitive growth, fine and gross motor skills, problem solving skills, and social interaction.

- Write dance - I can explore how to make different shapes using a variety of media
- Music - I can explore how to make different sounds, - loud, quiet, fast, slow, silence
- Sensory stories - I can retell stories and rhymes using props
- Attention Autism - I am able to focus on an adult led activity
- Rebound Therapy—I am able to listen to instructions

Makaton Vocabulary Focus

Colours, feelings, weather
